

The Forever Forest

A PROGRAM
INSPIRED BY [350.ORG](http://350.org)

Three Tomatoes Trattoria is partnering with [Change the World Kids](http://ChangeTheWorldKids.org) to reduce the carbon in our atmosphere, and improve the survival rate of neotropical [migrant songbirds](#) that divide their lives between Vermont and New Hampshire, and Central America. Our goal is to plant [350 trees](#) in Forever Forest tree plots; one in the migrant songbirds' summer breeding habitat, and the other in their winter feeding grounds.

Between now and [October 24](#), we hope that 350 people will make a [\\$1.00 contribution](#) to sponsor one of the trees. If 350 trees are sponsored by [October 24](#), [Three Tomatoes](#) will match these and sponsor [350 additional trees](#).

350.org is an international campaign building a movement to unite the world around solutions to the climate crisis. Their mission is to inspire the world to rise to the challenge of the climate crisis, to create a new sense of urgency and of possibility for our planet. **October 24th** is the day for advocacy. Visit www.350.org for more details.
